DISTRICT ORGANIZATION

I. The Board of Education recognizes that the grouping of grades and services within the facilities of the District can assist the efficient operation of the District and help achieve a more effective instructional program.

II. It shall be the responsibility of the Superintendent to determine the need for and define operational requirements sufficient to ensure the smooth functioning of the District, continually monitor the effectiveness of the District organizational plan and recommend to the Board modifications in the plan, which are in the best interests of the students, make wisest use of District resources, and serve the educational goals of the Board.

III. The Superintendent shall be the chief executive officer of the School District. The Superintendent shall define and recommend those administrative positions required to implement the educational system and program of learning established by the Board. In each case, the Board shall approve written job descriptions for each position in compliance with state and federal laws and regulations.

IV. Responsibility shall flow clearly from the Superintendent through the administrative staff to the professional and support staff.
