

# Please COMPLETE and RETURN this form

## ONE FORM PER FAMILY

**\*\*\*This form is inclusive for all Summer School courses that may leave school grounds.\*\*\***

*During On-line / Priority Registration (March 14-April 8) THIS FORM may be completed and turned in to any of the Offices at Dunwiddie, Lincoln, Saukville Elementary or TJMS. AFTER April 8<sup>th</sup> return to TJMS Office.*

*Please complete and return this form to ensure your child/ren will be able to participate in all of his/her Summer School course activities.*

During Summer School, as a part of their classroom activities, many of our classes leave the school buildings - and some of them may also leave school grounds.

**This form gives your permission for your child/ren to leave school grounds**, and, if necessary, be bused from/back to the school to/from another location. Students who do not return the form will remain in the office while their class is gone.

The students are always well-supervised by our adult staff, carry a walkie-talkie or cell phone, and consider safety as their primary concern.

While the students and staff typically walk to and from their destination, in the event of inclement or threatening weather, we may decide that it is in the students' best interest to arrange for a bus to transport them to/from their destination.

Thank you in advance for your cooperation and please feel free to call the summer school office, 262-268-6221 if you have any questions or concerns.

Liz Ferger

Rae Veloon

Summer School Administrator

Summer School Secretary
