

## HOMEBOUND OR HOSPITAL INSTRUCTION

The Board of Education shall provide, pursuant to rules of the Wisconsin Department of Public Instruction or appropriate State agency and State/Federal law, individual instruction to students of legal school age who are not able to attend classes because of a physical or emotional disability.

Applications for homebound instruction shall be made by a physician licensed to practice in this State or an appropriately licensed practitioner and shall:

- A. certify the nature of the medical disability;
- B. state the probable duration of the confinement;
- C. request such instruction.

Applications must be approved by the Director of Special Services.

The District shall begin the instruction and shall recommend that the instruction begin as soon as practicable after the date of notification for nonspecial-education students. In the case of students with disabilities under an Individual Education Program, the instruction is to begin as soon as practicable after the IEP Committee has met to develop an appropriate I.E.P. The program of homebound instruction given each student shall be in accordance with rules of the Department of Instruction or other appropriate agency.

Where permitted by law, the District reserves the right to withhold homebound instruction when a parent or other adult in authority is not at home with the student during the hours of instruction.

The Superintendent shall develop administrative guidelines for implementing the policy.
