

EMPLOYEE DRESS

- I. The Port Washington-Saukville School District employees are judged not only by their service but also by their appearance. It is the District's expectation that every employee's appearance is consistent with the high standards we set for ourselves as a District. Employees are expected to present a well-groomed, professional appearance and to practice good personal hygiene.
- II. The District expects all school district employees to wear appropriate dress for work that is in good taste and suitable for the job at hand. The District will not tolerate dress or attire from school district employees that the principal/supervisor or Superintendent considers disruptive, inappropriate, or which adversely affects the educational atmosphere.
- III. The administration shall be empowered under this policy to specify, if necessary, further requirements for staff dress (e.g., more detailed information on what constitutes appropriate clothing for different positions.)
