

UNAUTHORIZED WORK STOPPAGE

The Board of Education is obligated and committed to provide certain basic services to students residing in the School District under its jurisdiction and as contracted. Therefore, if the schools are open and students are in attendance, those basic services will be provided.

Recognizing the fact that a District, for various reasons, could experience an unauthorized work stoppage, the Board remains committed to providing educational and related services to the schools and will fulfill its obligations to operate the schools when possible.

Support staff members who fail to perform their usual and customary duties when so required as part of a concerted unauthorized work stoppage will be subject to loss of pay and fringe benefits, including paid insurance coverage, as well as disciplinary measures in accordance with the laws of the State.
