

## IMMUNIZATION

- I. The Board of Education requires that all students be properly immunized pursuant to the provisions of the Department of Health and Family Services regulations.
- II. Students in grades PreK-12 who do not meet the immunization requirements on the opening day of school shall be notified of compliance standards. Transfer students from outside of Wisconsin shall be granted thirty (30) days in which to submit proper evidence of required immunizations.
- III. Exemptions to the immunization requirements shall be granted only for medical, religious, or personal convictions reasons.
- IV. In cooperation with public health agencies and officials, the Board shall develop and implement a plan to encourage compliance with state student immunization requirements. The plan shall be submitted to the Department of Health and Family Services as required by law.
