

SAFETY STANDARDS

The Board of Education believes that employees, students, and visitors to the Port Washington-Saukville School District are entitled to a safe environment. In this regard and in accordance with law, the Board will provide reasonable and adequate protection to health and safety.

The Director of Business Services shall be responsible for the maintenance of District property to prevent accidents. The Director of Business Services shall designate an employee who shall conduct periodic audits of health and safety conditions within the facilities of the District in accordance with the Federal OSHA standards.

The Director of Business Services shall assure that employees and students of this District are aware of recognized hazards, that they are properly trained in safety methods, that protective devices and equipment are available to meet safety standards, and that proper rules and records are maintained to meet the requirements of law.

In the event a safety inspection is made by a representative of the State, the Superintendent shall report the results thereof to the Board at the meeting following the receipt of the State report.
