

## SECURITY

It is in the best interest of the Board of Education to protect the District's property. Buildings and equipment shall be protected from theft and vandalism.

The Superintendent shall develop and supervise a program of security for District buildings, grounds, and equipment, pursuant to statute and rules of the State. Such a program includes authorization to install video surveillance equipment in appropriate areas in and around the schools and other District facilities.

Efforts shall be made to apprehend those who cause damage to District property. Such persons will be required to rectify damage or pay a fee to cover repairs.

The school principal shall report significant cases of vandalism to the Director of Business Services.
