

STUDENT ACCIDENT INSURANCE

The Board of Education recognizes the need for insurance coverage for injuries to students caused by accidents occurring in the course of attendance at school and participation in the athletic and extra-curricular programs of the schools. Therefore, at the beginning of each school year, the Board may offer parents the opportunity to participate in group accident insurance at the expense of the parents.

A signed statement of insurance coverage on the part of the student's parent or guardian shall be a prerequisite for student registration in any school activity having a potential for bodily injury.

The Superintendent shall recommend suitable and qualified insurance carriers and notify all parents of their availability.
