100 WEST MONROE STREET
PORT WASHINGTON, WI 53074
2016-2017**

The Port Washington-Saukville School District is once again using the program ***e-Funds for Schools***. This program offers various options for parents/guardians who ***choose*** to make payments online. Not only will you have the ability to pay school fees, but you may have lunch payments electronically withdrawn from your checking account or charged to your debit/credit card, you also have the flexibility to make a payment at any time through the school's website. The ***e-Funds For Schools*** service is offered to you by a third-party service provider and they charge for processing your payment(s), similar to other online banking services. The district does not request or keep records of family checking or credit card account information.

The "***e-Funds For Schools***" program has a nominal fee for their service. Payments may be made from a checking account or with a debit/credit card. For payments made by check, a \$1.00 transaction fee will be assessed. For payments made by credit/debit card, there is a fee of \$2.65/100. Example: If you use a credit/debit card to pay a \$125.00 bill, e-Funds will assess a \$5.30 fee. The system also carries a Non-Sufficient Funds (NSF) charge of \$15. When you setup your account, please review your options carefully. The maximum amount a parent can pay on e-Funds is \$750.00 per day. Any amount over that will be declined.

You are in full control of your account and can make a payment at any time that is convenient for you. **No payments will be allowed without your knowledge and authorization through this secure payment system.** By providing your home and/or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of the item will be sent to you each time that a payment is to be processed. The ***e-Funds For School*** site is secure and uses industry standard data encryption.

- ***e-Funds For Schools*** will help to eliminate last minute check writing hassles, improve efficiencies, and help cut costs for both you and the school district.
- On-line payments will help eliminate the worry that your children could lose or forget the money intended for school items or that it might be spent on other non-school related items.
- Payments from a credit/debit card or checking account may easily be set up.
- Parents/guardians may establish a recurring payment or may opt to make a one-time payment.
- Your payment history for the year is available with a click of the mouse.
