

The Wall of Fame designation is made to recognize the successes of PWHS graduates in their chosen professions and careers. You can visit the Wall of Fame which is found on the wall of the Auditorium, inside the hallway. Nominations are accepted at any time of the year, but there is a yearly deadline of about Nov. 1, so that the Wall of Fame Committee can choose from a pool of candidates. You can download the attached form and also include a current resume, including current contact numbers, and any other materials that help illustrate your nominee's successes. If you have any further questions, please contact Catherine DeMerit, Chairperson of the Wall of Fame Committee at 262-268-5604.
