

## STATE-REQUIRED ANNUAL NOTICES

The State of Wisconsin requires school districts to provide specific annual notices to parents and the community. These notices are frequently added to, changed, and revised based on state statute. Therefore, the Board gives the authority to the Administrative Council to track these changes and publish the notices via a link on the District's website, notifying parents of the link through building-level newsletters, and on the annual school calendar. In addition, any required Class 1 Legal Notices shall be published in the Ozaukee Press.
