

CHARGES FOR SPECIAL PROJECTS

- I. It is the policy of the Board of Education to approve school sponsorship of occupational projects related to the occupations being taught by the District school(s).
- II. Projects may be accepted by the teacher with the approval of the building principal.
- III. Careful consideration shall be given to each project to ensure that the service rendered is not being exploited and that the project is of educational benefit to the students.
- IV. Customers shall be charged at least the actual cost of materials used in completing instructional projects. Funds shall be accountable under normal District procedures.
