

Port Washington High School Scholarship Program

Port Washington High School Graduating Senior - Class of 2021

Dear Scholarship Applicant:

Our program awards scholarships primarily to graduating seniors in the Port Washington High School Class of 2021. Last year, approximately \$300,000 was awarded to more than 100 students in the class of 2020. A limited number of scholarships are available to previous graduates of Port High who have completed at least one and one-half years of college, and not yet earned a baccalaureate degree.

A complete application is comprised of the following:

- A cover sheet with student, parent, and family information (page 1)
- An extra-curricular participation checklist (page 2)
- A volunteer service participation/employment record (page 3)
- An essay, word processed or typewritten, not more than 500 words, that describes the applicant's goals and life experiences that have been influential – The essay should include why you should be awarded a scholarship and what makes you a unique person or a top candidate for an award. Be sure to include reasons for your choices. (page 4)
- One letter of recommendation from a person **who is not** a relative, medical service provider, scholarship committee member or spouse, Port Washington-Sauville School District administrator, PWSSD staff member or coach. We suggest asking an employer, family friend who is not currently enrolled in high school, clergy member, or similar person to write the recommendation. (page 5)
- A PWHS Transcript will be printed as part of your completed application. You do not have to complete a separate form for this portion of the application.

Please note that the Port Washington Athletic Booster Club Scholarship (for graduating seniors) requires the completion of a separate application.

One copy of the **entire completed application** must be submitted to Mr. Bichler or Ms. Hess in the Port Washington High School Guidance Office not later than 3:00 pm, February 3, 2021. The Scholarship Selection Committee will not consider incomplete applications in making award decisions.

Suggestions:

1. If you need help with the application, please see Mr. Bichler.
2. Proofread your entire application several times.
3. You might consider asking another person to also proofread it for you.
4. Double check to be certain your application is complete when submitted.
