### GRADING SYSTEM

All courses in which a student is enrolled are included in class rank and grade-point average, with the exception of those assigned a grade of "P", using the following scale.

|    |   |     |  |
|----|---|-----|--|
| A  | = | 4.0 | Grades are weighted for Advanced Placement courses by the addition of 1.0 grade-points to all grades except that of "F", which earns "0" points weighted and non-weighted. |
| A- | = | 3.7 |  |
| B+ | = | 3.3 |  |
| B  | = | 3.0 |  |
| B- | = | 2.7 | A grade of "P" earns credit but is not assigned grade points for purposes of determining grade-point average or class rank.  |
| C+ | = | 2.3 |  |
| C  | = | 2.0 |  |
| C- | = | 1.7 | Class Rank and cumulative grade-point averages are reported at the end of each semester.   |
| D+ | = | 1.3 |  |
| D  | = | 1.0 | A school year is comprised of two semesters.   |
| D- | = | 0.7 |  |
| F  | = | 0.0 | The passing grade is a D-.   |

**Honors course grades are not weighted**

**AP classes are weighted**

**Project Lead The Way courses are weighted**
