April 6, 2020

Hello Port Washington-Saukville School District Families!

I hope you and your family are doing well. I know this is a challenging time for everyone. We, as Americans, have always been strong and worked through adversity together, and I know we will do the same again. Our school district staff are here to help your children instructionally and emotionally. Therefore, I want to share some information with you.

In my last communication, I indicated that school would begin again on April 14th. The recent Governor's order changes that date for very good reason; we need to stop the spread of the virus. The School District will comply with the Governor's order to keep our school Buildings closed through April 24th. This order could be extended longer, and we are preparing if that occurs.

Our staff will continue with online learning, and I know, first hand, how challenging that can be for your family, especially if you are also working from home. Please know that our Administrative Team (all principals and the district office leadership staff) are focused on helping our students learn and maintain emotional stability. We have a great group of staff members and principals who have totally committed their time and energy to help our kids and you. Therefore, please feel free to let them know if the pace of the online learning works for your family.

All our counselors and psychologists are here to help. Please contact your building principal to connect with a counselor. You can also contact the counselors and psychologists directly. Our food service staff have started providing free lunches for all of our students in the school district. The times are Monday through Friday from 10:00 a.m. to 1:00 p.m. and additionally, Tuesday from 3:00 to 5:00 p.m. for curbside pickup at the High School Performing Arts Center.

Finally, take care of yourself and continue to have patience as we work through this challenging time. If you, as a parent, would like some encouraging or emotional support, I would glad to talk with you via telephone. Feel free to email for call me with your phone number and best times to call.

Thank you, and take care.

A handwritten signature in black ink that reads "Michael R. Weber".

Michael R. Weber, Ph.D.
