Greetings PWSSD Families!

I hope all is going well for your children and families. I wanted to send a personal communication to you. Monday night, I submitted my letter of retirement from education to the Board as of June 30, 2021. After 50 years in education, 31 as a superintendent, and 21 years with you, it is time for me to move on to other adventures and turn the helm over to someone else. I want to spend more time with our seven grandchildren, three daughters, and my wife Karen. They have been incredibly patient and supportive over the years, and now I need to pay them back.

Also, I want to volunteer more time to the National Alliance on Mental Illness (NAMI), the Port Washington Historical Society, the Saukville Chamber, the Ozaukee County Senior Centers, the National School Board Association, and provide more training programs and presentations. In addition, I hope to assist the Aurora Medical Center and Ascension Behavioral Health Departments.

Over the 21 years with you, I have handed approximately 4,200 graduates their high school diploma, and many of you are reading this letter. I am most proud of our graduates and have enjoyed watching their careers grow and develop. Also, I am very proud of all of our staff members. We have hired some excellent people who genuinely care about you and your children.

I have five more months with you as your superintendent, and we still have much work to do. You have been incredibly supportive of our school district and me personally. Therefore, we will finish strong, and I know whomever the Board selects as my replacement will maintain this special place to live and grow, and also make our district and services to you even stronger.

Thank you,
