March 16, 2021

Dear PWSSD Families,

Thank you for helping keep your children safe this school year, as we began with a hybrid instructional model, and moved into full-time instruction beginning second semester. A year ago, on March 13th, all school buildings were closed throughout Wisconsin, and now here we are a year later with much hope and anticipation as a vaccine has been developed and is beginning to be distributed. Many of our staff members have already been vaccinated, and on March 26th, Kroeger Pharmacy will have an on-site clinic for the remainder of our staff members that have not yet been vaccinated.

On another note, as you are aware, I will be retiring from the school district on June 30th. I have enjoyed working with all of you and our students for the past 21 years. The School Board is presently working with a superintendent search firm for my replacement. One of the components of the search is to gather information from our families and communities through a survey. Therefore, please take some time to complete the short survey to provide input to the School Board as they review applicants and begin the interview process. Here is a link to the survey:

<https://www.surveymonkey.com/r/GQ3YYQV>

Again, thank you for your ongoing, caring support for your children and our school district.

Best Regards,

A handwritten signature in black ink that reads "Michael R. Weber".

Michael R. Weber, Ph.D.
Superintendent of Schools
